Love the 'Ville

Love The 'Ville is the outreach focus of Northeast Christian Church. We want to meet the needs of our community, both locally and globally, and show them they are cared for. We believe the best way to impact our city and world is through proactive, service-driven activities that build community and create a better, safer, friendlier environment in which to live. Will you join us as we Love The 'Ville?

Love The 'Ville Outreach has three different areas: Schools, Global, and Local. We desire to meet the needs of the kids in our schools, those in other parts of world and those living around us.

Servanthood

WHAT'S YOUR MOVE?

LEVEL 1 - INITIAL

Serve at a one-time event on our campus or with one of our local partners.

LEVEL 2 - CONSISTENT

Trial and Training - Serve regularly on our campus, with one of our local partners or with one of our global partners abroad.

LEVEL 3 - INTENTIONAL

Commitment to “my” ministry - Serve on a team with accountability and a regular schedule as well as make an annual commitment to that team.

School Outreach

Volunteer with one of our partner schools. Each school has a variety of options for you to volunteer at different capacities. If you are interested in volunteering at any school, you may contact the provided name or learn more at necchurch.org/schools.

SAVE THE DATE

We offer a variety of free, family friendly events at our partner schools throughout the year. The goal of the event is to provide an opportunity for the parents to engage in a fun event with their children. There are a variety of ways that you can engage in these opportunities, whether it is setting up for an event, volunteering for a team during the event or assisting with clean-up after the event.

Global Outreach

Northeast's Global Outreach ministry seeks to bring hope to underprivileged communities around the world by meeting both spiritual and physical needs. We accomplish this by fostering strategic, long-term partnerships with organizations that:

- bring about positive change in communities by empowering local people to develop sustainable initiatives
- include others in the process by practicing strategic short-term trips
- serve with the love of Jesus and work alongside the local church

JOSH ROUSE

Global Outreach Pastor
Josh.Rouse@necchurch.org

GLOBAL PARTNERS

(SHORT-TERM INTERNATIONAL TRIPS)

Northeast does short-term trips differently than most churches – our global partners set the agenda. We ask for their most pressing needs, then send Northeast stakeholders abroad who are uniquely qualified to meet those specific needs. This limits the size of our teams and ensures the needs of our global partners always remain our #1 priority! Our goal is to expand the long-term impact our partner organizations are able to have in their communities by removing some of the biggest obstacles they experience every day.

COMPASSION & STADIA (COCHABAMBA, BOLIVIA)

Serving Needs: Child Development

Date: TBD

Short-term teams will work with children and families in Stadia-planted churches and Compassion's child development centers. Needs typically vary from soccer clinics to ESL classes to health & wellness programs.

EL OASIS (SANTIAGO, CHILE)

Serving Needs: College Ministry, Construction, Teaching & Training

Date: Early October 2019

Some short-term team members will work directly with El Oasis students – leading small groups, helping with tasks & details related to their annual retreat and performing/teaching counseling (if licensed). For these roles, Spanish proficiency is required (fluency preferred). Other team members will help with construction projects such as painting, electrical, drywall, plumbing, roofing and flooring.

EARTH MISSION ASIA (MYANMAR & THAILAND)

Serving Needs: Medical Teaching/Training, ESL instruction

Date: Late October 2019

Each short-term team member will teach a separate 7-10 day course in EMA's training program. Classes must be taught at 3 different levels: year 1 students, year 2 students and EMA instructors. Needed specialties include (but are not limited to) clinical pharmacy, pediatric medicine, fertility and medical engineering technology.

GLOBAL PARTNERS

(LOCAL)

SUPPLIES OVER SEAS (SOS)

SOS meets critical healthcare needs in developing countries by collecting and distributing surplus medical supplies & equipment.

Northeast stakeholders can serve with SOS by sorting medical supplies at their local warehouse. Once donated items have been thoroughly sorted, SOS loads them onto containers and ships them to medically impoverished communities to treat under-served patients around the world.

KENTUCKY REFUGEE MINISTRIES (KRM)

KRM provides advocacy and resettlement services to refugees to help them achieve self-sufficiency and successful integration into their new community. Northeast stakeholders can serve with KRM by co-sponsoring a refugee family for 3 months. During that time, volunteers build a relationship with the family and help provide some of their basic needs. Each refugee family needs a dedicated team of 10 - 12 volunteers to commit 3 months of their time to do the following:

1. Set up an apartment with all necessary furniture, toiletries, bedding, groceries, etc.
2. Pick up the refugee family at the airport and provide a culturally appropriate welcome meal for them.
3. Drive refugees to/from doctor's appointments, ESL classes, school registration, etc.
4. Help teach life skills that support self-sufficiency (public transportation, etc.).
5. Guide the family around their new city, teaching them about the things that make Louisville special (parks, zoo, food, etc.).

necchurch.org/globaloutreach

SAVE THE DATE

We understand most Northeast stakeholders may never have the opportunity to visit our global partners abroad. Because of this, we offer several ways to make a global impact by serving right here at home.

June
29

WORKOUT FOR WATER

Help bring the Love the 'Ville movement to the world! By simply participating in a high-energy workout, you can provide clean drinking water to impoverished communities around the globe.

Local Outreach

Love The Ville began in 2014 when 1800 people from Northeast spent a Sunday morning “blitzing” the Clifton area with cleanup and free bikes for kids. The movement has exploded since that time both locally and globally. Our hope is to bring the love of Jesus by meeting the needs of those with limited resources.

22-29

LOVE THE VILLE
OUTREACH WEEK

Join us as we collectively Love the "Ville through service including feeding the hungry and home repair projects. The week will kick off with Blitz Day (not just Clifton Blitz) on June 22 and wrap up with Workout for Water on June 29.

Contact: Tomara.Brown@necchurch.org

JANUARY 24 & 25

MAY 9 & 10

JULY 19 & 20

OCTOBER 10 & 11

HAND IN HAND

In 2019, Northeast will be partnering with Hand in Hand Ministries, located in Portland. Individuals and groups will have the opportunity to spend the night at the Hand in Hand retreat center and work with residents on home repair projects. Northeast has scheduled 4 dates to experience this Urban Immersion Program. Through the Urban Immersion Program, Hand in Hand desires to bridge the gap of various areas in Louisville by creating conversation, enhancing the community and building lasting relationships through community impact projects.

Cost: \$25 per person.
